SDG Goal 17 Partnerships for the goals

SDG Target 17.1 Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection

SDG Indicator 17.1.2 Proportion of domestic budget funded by domestic taxes

1. Name of data series	
Proportion of domestic expenditures funded by national taxes	
Compliant with SDG metadata: yes, but based on ESA 2010	**SDG Metadata**

2. Definition of indicator
The indicator measures the ratio between the government revenues from taxes and the total government expenditures.
3. Comparison with SDG metadata (as of 08/06/2018)
The time series is compliant with the UN metadata, but is based on the European System of Accounts (ESA 2010) and not the Government Finance Statistics Manual 2014.

4. Data description
The data is part of the national accounts of the Federal Statistical Office. The indicator thereby calculates the ratio between the government revenues from taxes and the total government expenditures. The data on taxes and government expenditures is classified based on the European System of Accounts.
Besides the regular revisions of the time series (see below) a general revision of the European System of Accounts was conducted in 2014.
5. Calculation method
$$\text{Domestic expenditures funded by national taxes} = \frac{\text{Government revenue from taxes (Bn EUR)}}{\text{Government expenditures (Bn EUR)}} \times 100$$

6. Unit of measure	%

7. Timeliness	8. Frequency
t + 45 days	Annual
9. Last regular revision	10. Revised period
08/2018	2014-2017

11. Accessibility of source data
Government revenue (taxes and insurance contributions) and expenditure as well as national financial balance (Only available in German):
https://www.destatis.de/DE/Themen/Wirtschaft/Volkswirtschaftliche-Gesamtrechnungen-Inlandsprodukt/_inhalt.html
Fachserie 18 Reihe 1.5 – 2017, Tabelle 1.11
12. Metadata on source data
Government revenue (taxes and insurance contributions) and expenditure as well as national financial balance (Only available in German):
https://www.destatis.de/DE/Themen/Wirtschaft/Volkswirtschaftliche-Gesamtrechnungen-Inlandsprodukt/_inhalt.html
Fachserie 18 Reihe 1.5 – 2017
13. Related SDG data series (duplicate indicators or sub-indicators to same indicator)
Not applicable
